# Unit 7-8 Burdon Drive

North West Industrial Estate is an established industrial and commercial location benefitting from excellent communication links, located in close proximity to the A19 which is within approximately a 3 minute drive time.

The property comprises two adjoining warehouse units that have been repurposed into one single unit of steel frame construction with brick blockwork walls and profile insulated cladding above, under a metal deck roof incorporating glass translucent glazing panels. The units are available either as a whole or on a split basis, from 11,926 sq ft, subject to requirements. Internally, the property benefits from offices at ground and first floor level. The specification includes suspended ceilings with fluorescent tube lighting, gas central heating, carpet tiles and double-glazed windows. There is also a staff kitchen and mess area along with gents and ladies W.Cs. Customer access is via Burdon Drive, with the area being popular with many high profile occupiers including Screwfix, Toolstation, Howdens and Wolseley Plumb & Parts.
