Location

The subject site is located within the well-established Walker Riverside suburb of Newcastle upon Tyne which sits to the east of Newcastle City Centre approximately 4 miles away. The surrounding area is popular with businesses that are in the offshore and renewable energy sectors adjacent to the River Tyne to include Bridon, Technip, Baker Hughes together with the extensive Shepherd Offshore Neptune Energy Park. A short distance along the river is Smulders which occupy a substantial site at Hadrian Yard which manufacture bases of wind turbines.

Access to the subject site is via the A186 which connects the A19 trunk road to the east approximately 2 miles away which connects the wider road network in the region and beyond together with the Tyne Tunnel.

Description

The site is rectangular in shape with access off Fisher Street and Oil Mill Road.

The site has recently been remediated, fenced and is laid in partial hardcore and soil.

Accommodation

The site comprises an area of approximately 5.2 acres (2.10 hectares).

Tenure

The site is available to purchase on a long leasehold basis for a term of 999 years at a peppercorn rent.
